1) **GENERAL CONSENT FOR TESTS, TREATMENT, AND SERVICES:**
I hereby voluntarily consent for treatment / admission to the Facility. I permit the Facility and its employees, physicians and others involved in my care to treat me in ways they judge to be beneficial to me. I understand that I have the right to ask questions and to receive information about my care and treatment, and the right to withdraw my consent for treatment or tests. I consent to examinations, blood tests (including blood tests for communicable diseases such as hepatitis and HIV/AIDS when healthcare personnel have been exposed to my blood and/or body fluids), laboratory procedures, medications, infusions, nursing care and other services or treatments rendered by my physician, consulting physicians and their associates and assistants, or rendered by Facility personnel under the instructions, orders or direction of such physician(s).

I agree and understand that all physicians, dentists, oral surgeons and podiatrists involved in my care in any way are responsible and liable for their own acts and omissions, and the Facility is not responsible or liable for the acts or omissions of the aforementioned. Some services may be performed by independent contractors who are not employed by the Facility. I am aware that the practice of medicine is not an exact science and further state that no guarantee has been or can be made as to the results of the treatments, care or examinations in the Facility.

2) **NURSING CARE:**
The Facility provides only routine nursing care. Private duty nursing is not provided but may be arranged directly between an agency and the patient at the patient's expense. The Facility is hereby released from any and all liability arising from the fact that I am not provided private duty care by the Facility.

3) **PERSONAL VALUABLES:**
I understand that the Facility maintains a safe for the safekeeping of money, valuables and personal belongings, and the Facility shall not be liable for the loss or damage to any articles of personal property unless said articles are deposited with the Facility in the safe and receipts are issued describing said items. At no time shall Facility be responsible for more than $500 for said deposited items.

4) **ASSIGNMENT OF INSURANCE BENEFITS / PROMISE TO PAY:**
I hereby assign and authorize payment directly to the Facility, and to any facility-based physician, all Facility benefits, sick benefits, injury benefits due because of liability of a third-party, or proceeds of all claims resulting from the liability of a third party, payable by any party, organization, et cetera to or for the patient unless the account for this Facility, outpatient visit or series of outpatient visits is paid in full upon discharge or upon completion of the outpatient series. If eligible for Medicare, I request Medicare services and benefits. I further agree that this assignment will not be withdrawn or voided at any time until the account is paid in full. I understand that I am responsible for any charges not covered by my insurance company.

The undersigned individually obligates himself / herself to pay the account of the Facility in accordance with the regular rates and terms of the Facility. If they fail to make payment when due and the account becomes delinquent or is turned over to a collection agency or an attorney for collection, the undersigned shall pay all collection agency fees, court costs and attorney's fees. The undersigned also agrees that any patient or guarantor overpayments on the above Facility visit may be applied directly to any delinquent account for which the patient or guarantor is legally responsible at the time of the collection of the overpayment.

5) **WEAPON / EXPLOSIVES / DRUGS:**
I understand and agree that if the Facility at any time believes there may be a weapon, explosive device, biohazard material, any type of illegal substance or drug, or any alcoholic beverage in my room or with my belongings, the Facility may search my room and belongings, confiscate any of the above items that are found, and dispose of them as it determines appropriate including delivery of any item to law enforcement authorities.
